A golden hoppy ale with a long bitter finish.

### **Elgoods Greyhound (5.2%)**

A rich brown strong bitter with a full flavour derived from the use of Pale ale malt, Torrified wheat and Roast Barley and a hop blend of English Fuggles and Challenger. A rich raisin character is the result of dark sugars and roasted barley.

### **Frog Island Croak & Stagger (5.6%)**

A dark, full-flavoured beer with roasted malt and chocolate notes and an astringent finish. Brewed with English Target and American Cascade hops.

### **Golcar Bitter (4.0%)**

Amber bitter with a hoppy citrus taste, with fruity overtones and bitter finish.

### **Holdens Golden Glow (4.4%)**

An 18ct gold, golden ale with subtle yet fragrant hop aromas, a moreish gentle sweetness and an almost citrus like pleasant bitter finish. Brewed using the finest English Maris Otter malts and choicest Fuggles, Golden Glow is a thirst quenching refreshing beer.

### **Hoskins EXS (5.0%)**

A malty, golden, full bodied premium bitter.

### **Howard Town Glott's Hop (5.0%)**

A strong beer, and as the name implies, very hoppy. Brewed with halcyon malt and Pioneer hops. It is light, strong and full of flavour. Glott's Hop is allegedly the original name of Glossop, literally 'the house of Glott'!

A chestnut coloured premium ale, using only the best English malt and hops; fruity and malty with a smooth bitter finish.

### **North Yorkshire Fool's Gold (4.6%)**

A pale refreshingly complex best bitter. Fruity aroma leads to a bittersweet flavour and aftertaste with predominance of citrus tones.

A richly coloured full drinking malty ale, lightly hopped to give a smooth mellow character.

### **Springhead Charlies Angel (4.5%)**

This beer is a light golden fruity refreshing ale.

### **White Horse Village Idiot (4.1%)**

In every pub throughout the land there resides a village idiot, sometimes we are really lucky and have more than one, now you have the chance to make sure they are always available for the customers delight. Even the most foolish will recognise this distinctively golden beer, only the finest hops are in our dry store but some maniac has tipped them all in, creating an explosion for the senses. Thankfully the hops are well balanced by the finest Yorkshire malt and a little

wheat malt which smooth the path to real Village Idiot serenity. Only a word of warning but if you try too many the pump clip acquires a somewhat mirrored finish!

### **Woods Wonderful (4.8%)**

A dark and powerful ruby brew with a flavour that you can enjoy from the first drop to the last.

### **Twickenham Sundancer (3.7%)**
